## World Pac's Smith Named Ohio's Top Small Businessman

Edgar L. Smith, Jr., founder and CEO of Cincinnati, Ohio based World Pac Paper, LLC., has been selected by the Columbus District Office of the U.S. Small Business Administration (SBA) as the 2010 Small Business Person of the Year for the State of Ohio and Region V of the United States, which covers Minnesota, Wisconsin, Illinois, Indiana, Michigan and Ohio.

**Edgar L. Smith, Jr.**

World Pac Paper, LLC serves integrated and independent corrugated converters, folding carton/rigid box manufacturers, tube winders, laminators, paper converters, commercial printers, catalogers, book and magazine publishers, and the foodservice industry.

"The U.S. small business engine moves our country forward," Smith said. "Winning such an honor not only spotlights me and our growing company, but also the importance of minority companies and their significant contributions to the economic recovery of our great nation."

Smith serves as a Director and the Vice Chair, Small Business for the Cincinnati USA Regional Chamber. "Edgar is an exceptional entrepreneur, an executive highly engaged in his community, and a shining example of how much a business can grow in a short period of time. He is certainly deserving of this recognition," said Ellen G. van der Horst, President and CEO, Cincinnati USA Regional Chamber.
